# PROFILE

Australian artist and painter, Don Milner, captures Australia, it's landscape, seascape, the outback, stockman, aboriginal, kookaburra, kangaroo, using acrylic, oils, charcoal, pastel and gouache. He has a real passion for his painting and has celebrated success with many exhibitions over the past 20 years. This enthusiastic & energetic painter is represented in galleries in Noosa Heads and the Sunshine Coast.

Don is also renowned for his generous and creative Painting Workshops and draws upon his years of experience to encourage and inspire his students.

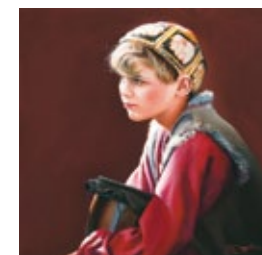

Like most artists, Don's work is in a constant state of flux with his private works and commissions having roots in the Traditional, but more recently, his works are being flavoured with a generous amount of Impressionism.
